The Dimmer VIEW

By MAX GOODWIN

Commendation is in order for all those who trimmed back their hedges, trees and shrubs when we recently suggested "daylighting" corners for giving greater safety for drivers.

Mrs. George Wills of 7785 Mt. Vernon, a widow who spends three days a week abed because of illness, was distressed when we pinpointed the intersection at which she lives as an example.

Good Neighbor Wills, who doesn't even drive a car, got hold of a gardener, instructed him to trim back the Spanish Dagger palm tree which she cherished because it was a gift. As she said, "the tree looks awful" but safe vision is the result.

A pat on the back and a shake of the hand to Mrs. Wills and other good neighbors who are sincerely interested in the well being of those who travel our community's streets.

A "pat on the back" is also due Ted Mangano, developer of a new business property unit on Broadway near Kempf Street.

When he completed the buildings which houses The Lemon Grove Florists and Dial Drug Store, he proceeded to blacktop the entire area surrounding these and the buildings he owns to the east.

The finished parking area is a joy to behold. It joins to the existing road directly in front of his property. This is by way of comparison with the unsatisfactory arrangement by the owners of the property occupied by the post office. The unpaved strip is either dusty or muddy, depending on nature. The antipathy on the part of all concerned with this bad situation is to be deplored.

We received another note concerning post office parking from our Congressman James B. Utt who passes to us the answer he got from Verne Scoggins, Regional Director of the Post Office Department in San Francisco. Scoggins reports that his office has made a survey and that the unpaved area belongs to the county of San Diego. His Real Estate Department, he says, has written a letter to the County Board of Supervisors requesting this area be paved or to give permission to the lessor of the (Continued on Page 10)

TAX GROWLS TO BE TAKEN AT WATER WORKS NEXT MONTH

Monday, July 8, will be "equalization day" at the local water works according to Harry Griffin, Lemon Grove's contribution to the water works board.

The way it works is like this. If you feel Irrigation District assessment on your property is too high, go over to the district office on "E" (equalization) Day along. Line forms at 9 a.m.

Pictured above are the newly installed line officers of Lemon Grove's Order of the Rainbow for Girls. Nadine Westcott, Faith, Sharon Sanders, Charity, Lois Davy, Worthy Advisor; Penny Estes, Worthy Associate Advisor; and Shirley Jones, Hope. Miniature flower-draped harps were carried by the officers during an impressive ceremony held Sunday in the La Mesa Masonic Temple. Guests were invited to remain for an informal reception by Miss Davy, who is the daughter of Mr. and Mrs. Robert Davy of Lemon Grove. —Tappy Foto.

Hospital Issue Passes 2259 To 273

Grossmont Hospital District has been authorized by voters 2259 to 273 to spend \$437,500 as part of the cost of a new wing to the hospital. Cost of the project will 1 1/4 million dollars but matching federal and state funds are expected to cover the million dollar difference between the money on hand and the amount needed.

A districtwide election was held Tuesday.

In the 7 Lemon Grove precincts the vote was: Yes, 237; No, 47.

In the 7 Spring Valley precincts the vote was: Yes, 265; No, 33.

Boosters Set 5:30 Closing

Business firms associated with the Lemon Grove Boosters Club said that the most of their members would close at 5:30 daily except Friday beginning Monday.

The group sponsored the half-hour earlier closing, early this year, setting close of elementary schools as the target date.

Best suggestion . . . shop a little earlier . . . and in Lemon Grove.

SCHOOL PLAYGROUND TO BE SUPERVISED, NOT ORGANIZED, THIS SUMMER

There will be no organized recreation program of the elementary schools, Mike Calderone, P.E. director said this week.

The play will be supervised as in former years, but a planned program will not be developed.

RESIGNATION OF 3 EMPLOYEES, TRUSTEE, OK'D BY SCHOOL BOARD

Little of the smoldering embers of the school board blaze could be discerned this week at the regular board meeting.

Several items that had a brackish air of the school board election backwash included the holding up of one contract of a classified employee; the resignation of 3 employees; and the acceptance of the resignation of Channing P. Mason who publicly announced his decision to quit last week.

The contract of Anne Espe, secretary at Monterey Heights School was held up while 50 other contracts were approved. Mrs. Espe had been pinpointed by the board as having had a part in pre-election activity. Mrs.

Batchelder, also spotlighted by the board, turned in her resignation. She was secretary at Vista La Mesa School.

Emily Hogan, secretary to Assistant Superintendent Sam Solleder, also resigned. So did John Milne, custodial superintendent.

Harry Griffen appeared, asked and got an OK on the summer water bond election. The board approved anniversary increments for 9 employees.

Report on condemnation of the Morse property on Palm Avenue indicated that a settlement could be made. There are 6 plus acres involved and the price will likely be approved at \$7,000 per acre. The board also approved the sewer connection of the Education Center to the newly installed sewer.

A holding tank had been used previously.

SECOND SUPER SHOPPER SPECIAL ISSUED THIS WEEK

The second issue of a "Super Special" Shoppers' Page is published in this week's REVIEW.

In addition to this page being published in the newspaper, one thousand extra copies of the page are printed and distributed in adjacent communities. A different community is chosen each week.

This week copies of the page are being circulated in Monterey Heights.

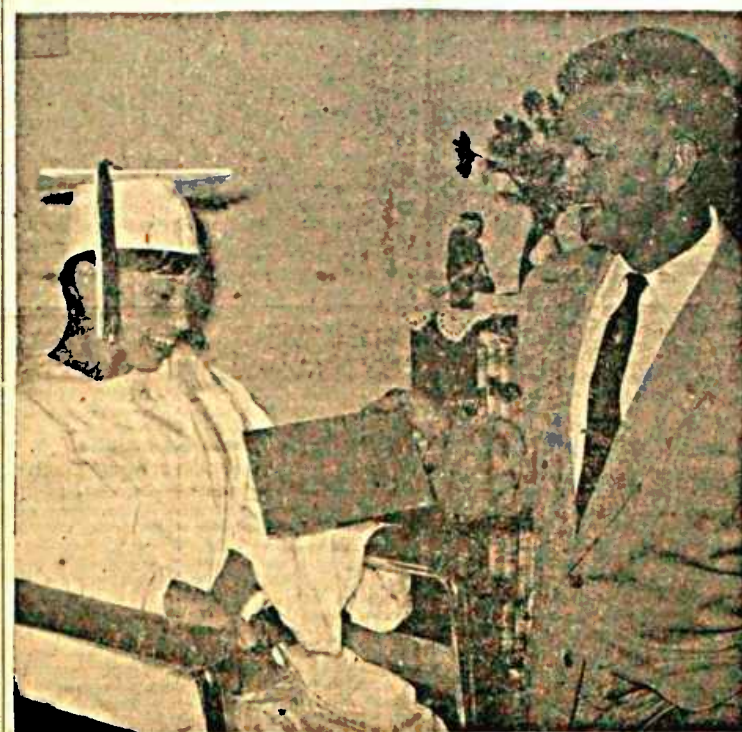

Grove Truck Driver Gets 50 Year Sentence

John Keith Riley, 26, of 7024 Mt. Vernon Ave., Lemon Grove, was sentenced to prison for a maximum term of 50 years for statutory rape of a girl, 14. An assistant probation officer told Judge Hewicker that Riley was found driving five hours after an interview in which he had been warned to stop driving because of excessive traffic citations.

Judge Hewicker on Wednesday revoked probation on the rape charge, sent him to serve the 50 years penalty.

Riley had received nine traffic citations while on probation and had been warned against driving.

Diplomas to 100 Grove Grads

Svea Yeager accepts diploma of graduation from School Trustee Palmer Svalstad in a private ceremony this week. Svea was among the top 25% in scholastic standing although she has never been to regular school. —Tappy Foto

By DICK HENDERSON

Speechless since three years old and physically helpless for 15 years, confined to a wheel chair, gradually losing the use of her hands, Svea Yeager, 3011 Noble Street, Monterey Heights, was awarded her diploma, cap and gown by School Trustee Palmer Svalstad at a special ceremony Sunday. Svea was 58th in a class of 400 graduating from Helix and became at once an honor student and a symbol of faith, trust and perseverance.

For 15 years Svea has used a wheel chair, unable to help herself.

She lost her power of speech when she was three, but has retained her hearing, and air "talks" with her mother, using her right index finger.

Gradually, Svea has lost the use of her fingers, and has difficulty holding a pen, but she

writes a good clear hand, better than most adults. It takes her longer to write, but her graduating thesis — "Segregation" well expressed her thinking, was neatly prepared and bound.

This brave girl has studied by herself for five years—five hours of study—five days a week, and has completed the assignments given by her teacher, Mrs. Marie Madison, of Grossmont Hi-School.

Rodeo-Fiesta-Parade To Be Area's Biggest

By GEORGE SEMPLE

Festivities galore are planned for the weekend of July 13 and 14 in Lemon Grove. According to the Lemon Grove Junior Chamber of Commerce, who is sponsoring the event, 1957 will mark the biggest and most elaborate Fiesta-Rodeo Weekend ever held in the Lemon City.

One of the largest western parades of this area is planned as part of this year's activities. The parade will mark the return of an annual parade which was held in Lemon Grove in days past.

Entry blanks have been mailed to the top equestrians of Southern California and tremendous response has been received. It is hoped that all the top hands from this area will take part as well as the different communities sending their beautiful floats. Any group or individuals who have not received an entry blank and desire one, may call or write to the Parade Chairman, George Semple, 7223 Broadway, Lemon Grove, HO 9-0448.

Mrs. Marguerite Howell, parade coordinator, is assisting the Lemon Grove J.C.'s in helping coordinate the parade and make the event a huge success.

Vernon Wilkinson, Rodeo Chairman, announced that the rodeo will be one of the finest given in this area with top-notch rodeo performers participating for top money.

"A Hollywood celebrity has been invited to preside over the weekend of fun and will serve as the Grand Marshal of the Western Parade," Wilkinson further stated.

A. E. "Bob" Howell, local realtor, who is also supporting the local event 100%, will be one of the marshals of the parade. Howell announced he will enter with his famous silver outfit which he has entered in numerous parades from the President's Inaugural Parade in Washington, D. C., to the Rose Bowl Parade in Pasadena, California.

The parade will take place on Saturday, July 13th beginning at 1 p.m. at the corner of Broadway and Massachusetts Avenue in Lemon Grove. Proceeding down Broadway to Sweetwater Road, the Parade will conclude at the Rodeo Grounds where the trophies will be presented. Anyone purchasing a ticket for the rodeo on Saturday will be assured of the finest parade through the Rodeo Grounds and the winning entrants will receive their trophies in front of the grandstand.

Semple said that local business and service groups of Lemon Grove will be invited to enter floats in the parade.

It is hoped the local Rodeo and Parade will be one of the largest and most attended in Southern California.

To make this weekend of Western Fun the huge success it can be, the help of every Lemon Grove resident is needed. Back your home town. . . . Back the Rodeo-Fiesta-Parade.

More than 100 Helix High School graduates from Lemon Grove-Spring Valley area will receive diplomas this week.

Altogether 402 seniors, led by Tartan bearers, will hear Rt. Rev. Msgr. John W. McDonough offer the invocation prior to the presentation of diplomas by school board trustee Palmer Svalstad and District Superintendent Lewis Smith.

Ceremony will take place June 13, at 8 p.m. in Helix Stadium with the Helix concert band supplying the musical background.

The engagement of Miss Peggy-Carole Reimers of Spring Valley to William R. Byrd of Lemon Grove was announced this week by the bride-to-be's parents, Mr. and Mrs. Roy R. Reimers, 8671 La Mar Street.

Her fiancé's mother is Mrs. Mildred Byrd, 3940 Massachusetts Street, Lemon Grove.

Both young people are Helix High School graduates. Mr. Byrd is employed at a San Diego aircraft plant. Miss Reimers plans to attend business school later this year.

No date has been set for the wedding.

AREA MAN ORDAINED TO MINISTRY

Seven young Seventh-day Adventist ministerial interns were ordained to the ministry in sacred rites last week at La Sierra, Southeastern California Conference headquarters of the Adventist denomination announced today.

The solemn rite of ordination was performed by W. B. Ochs of Washington, D. C., vice-president of the General Conference of Adventists.

To be ordained and raised to full status as minister of the gospel was: Mauritz M. Peterson, associate pastor of the Paradise Valley church.

BOY SCOUT CAMPS DATES LISTED

The Boy Scout camping season in San Diego County starts Sunday.

The first camp to open will be Camp Hual-Cu-Cuish, located in the Cuyamacas. This camp will be operated on a weekly basis until August 24 and offers boys of local Scout troops all outdoor activities, including swimming and archery.

Balboa Camp, at the Scout headquarters in Balboa Park, will open Tuesday on a day-to-day basis. There is no overnight camping and emphasis is put on swimming, with morning and afternoon classes. Classes are held from Tuesdays through Fridays, on a two-week schedule.

King Creek Camp, near Descanso, will open on Sunday, June 23.

Operating on a pilot plan, the 679-acre Mataguay Ranch will receive its first Scout campers on August 11 and, this year, will remain open until August 31. This camp, near Warner's Hot Springs, will accommodate 100 to 150 boys each week.

GROVE YOUTH GET POMONA COLLEGE LETTER
CLAREMONT (Spel)—James V. Dorman, 7615 Circle Drive, a Pomona College senior, was awarded a varsity letter in the pole vault.

Roy Ashe Gets Nod On Convair Jet Job

Roy F. Ashe of Spring Valley, has been appointed Convair 880 jet transport long range planning project administrator. G. A. Covington, manager of long range planning for Convair, a Division of General Dynamics Corporation, announced last week.

An 18-year veteran of Convair, Ashe has been an estimating supervisor in the office of the division controller.

Ashe is a former president of the Convair management club. He holds a bachelor of laws degree from Balboa University, San Diego.

Ashe is married to the former Dorothea Ingham. They live with their two children at 10417 Madrid Way, Spring Valley.

GOD'S PRESERVING LOVE CHRISTIAN SCIENCE THEME

"By a prophet the Lord brought Israel out of Egypt, and by a prophet was he preserved," reads the Golden Text from Hosea (12:13) in the Lesson-Sermon "God the Preserver of Man" in all Churches of Christ, Scientist, Sunday.

The prophet Ezekiel declares the voice of God as saying, "I will seek that which is lost, and bring again that which was driven away, and will bind up that which was broken, and will strengthen that which was sick" (34:16).

'Laws For Youth' Booklet To Detail Youths', Parents' Responsibilities

The Juvenile Protection Committee of the County Coordinating Councils has just completed the big task of compiling a booklet entitled "Laws for Youth." This booklet has been created with the end in view in putting into easily understood language many of the more important laws governing parents and youth. The Board of Directors is now faced with the task of obtaining funds for printing the booklet. A special committee is now working on the problem.

After the booklet is printed, it is hoped it will be given wide

distribution throughout San Diego City and the unincorporated areas of the county. The booklet will be given without cost to any organization or individual who requests it. Inquiries have already been received as to how the booklet may be obtained. This information will be given at a later date, following printing of the material. Be on the lookout for announcements of its publication, which will appear in this paper.

GHS Wins One Act Play Trophy

In the first Grossmont Union High School District one act play tournament recently, Grossmont won the sweepstakes trophy with the play "Command Performance" by Jack Stuart Knapp. The tournament was held at El Cajon Valley High.

Mike Lindsten and Betty Fitzpatrick, GHS seniors, won best actor and actors award with Julie Farrell, senior, winning best director award. Robert Halvorsen is the faculty advisor for the Grossmont winners.

El Cajon High presented "When Shakespeare's Ladies Meet," and Helix High presented "Happy Journey from Trenton to Camden" by Thornton Wilder.

One of Lemon Grove's more popular car clubs, the Adaptors, were hosts to several business and professional people recently at a meeting at junior high school. They also had their parents as guests.

Following speeches by Rolla Hamilton, garage-operator, sponsor of the club; Max Goodwin, local editor; George Fickas, fire shop operator, and Erv Major, automotive parts firm operator, the group heard a talk by Sgt. "Casey" Hoard of the State Highway Patrol, and saw a sound picture "Cool Hot-Rods" and seven members won prizes in a door prize drawing.

Club was formed by 16-17 year-olds to learn driving and mechanical safety.

In the photo above are Highway Patrolman John Annis, Hamilton, Paul Crosbie, president of the Adaptors, and Sgt. Hoard.

LETTERS TO THE EDITOR

Dear Editor:

San Diego County has achieved a record of which you can justifiably be proud. It is now estimated that more than 60 per cent of the 500,000 persons in this county 40 years of age or under have received at least one inoculation against paralytic polio. A total of 669,000 inoculations have been given here since April, 1955.

In our most intensive immunization program, which began in mid-January of this year, a total of 258,000 inoculations have been given in approximately four months. This is a magnificent record for mass immunization. Never before has San Diego County undertaken so tremendous a public health job and done it so well.

Through the joint sponsorship of the San Diego County Medical Society, volunteer physicians gave hundreds of hours of their time to inoculate the people of this county with Salk vaccine. In addition to the physicians, over 2,000 individual volunteers put in thousands of hours preparing medical supplies for the immunization centers and assisting during the hours of inoculation. The work of these volunteers was essential to the success of this program.

Your contribution was also essential. For the kind of public

response that makes 258,000 inoculations possible in four months depends on the very strongest kind of support from the press. The Lemon Grove REVIEW performed an invaluable public service in keeping the public informed of every phase of this program. You may well be proud of the results of that program, for you did much to make it a success.

Sincerely yours,
J. B. ASKEW, M.D.

Announcement Made Of Sale Of Auto Supply Firm

Formal announcement was made this week of the acquisition of Broadway Automotive, a wholesale-retail auto supply firm by Ervin "Maj" Major, a partner in the firm.

He bought the remaining share of the business which belonged to William De Hoff, his partner. The firm is located at 7553 Broadway.

Major is a former jalopy race driver and was an active racer until this year. Last year he finished 7th among 136 contestants in competition held in Balboa Park. He has been an official of the S.D. Racing Association since 1953.

Major also has been active in tennis circles and is a board member of the Balboa Tennis Club. He was ceded third in the Junior Veterans doubles earlier this year at Tucson.

Ervin said his firm would retain the same name and would continue to handle nationally branded merchandise.

De Hoff, he said, was planning to take an extended vacation.

At a recent Lemon Grove Rotary meeting, Junior Rotarians of the past year put on the program. Under the genial direction of Dr. Harry Sorteberg, current president, they put on the griddle various members from whom they exacted heavy fines.

Junior Rotarians are chosen for their outstanding scholastic qualities and qualities of leadership.

Those taking part in the Junior Rotarian Week program were: Bob Garrity, Mike Thornburgh, Jim Glazebrook, Stephen Smith, Ralph Christiansen, Dr. Sorteberg, Gael Barsotti, Pat Brown, Dennis Lake and Vern Booth.

One of the antics included the fining of Lewis Smith, \$9 for being Grosmont High School District superintendent. When he tried to make an impassioned plea for leniency, Jim Glazebrook, talented youthful violinist, got out his fiddle and played "Hearts and Flowers". Mt. Miguel High School Principal Mel Grant also suffered a stiff fine. All the boys are Grosmont and Helix students... at least they were up to the time of the program. —Barnett Foto

YOUTH CENTER GROUP TO HEAR SUPERVISOR

A meeting of the Lemon Grove Youth Center Board will be held Tuesday to crystallize ideas for the proposed new youth center and use of additional space acquired in the present youth building. It was announced this week by Frank Armstrong, chairman of the board of directors.

Armstrong said that David Bird would be invited to attend and all interested citizens should attend the meeting to gain first hand information on local youth recreation facilities.

In addition to discussion on the above matters, part of the meeting will be devoted to representatives of the school recreation commission who will be invited to discuss upcoming recreation plans with relation to sales tax money being collected by the county.

A financial report on the Youth Center will be read by Paul Reynolds.

Lady Realtor Back On Job After Illness

Marie West Parrish, pioneer "Lady Realtor" of this area, including Lemon Grove, La Mesa and surrounding territory, with branch offices in other parts of unincorporated territory, is back at her desk after a siege of virus pneumonia, which kept her confined to her home for the past month. Her indisposition was serious for a time, her left lung being affected.

Happily, her condition is almost normal, and Marie is "back in the saddle again."

Asked how she has been so successful in selling real estate hereabouts the past 20 years, Marie said, "first get good listings, know that the price is right, then get your prospect; show them you have the right price, the advantages of the property; then SELL 'em. That's all there is to it."

Marie's assistants have learned under her tutelage to sell. Several ladies in the office know their stuff, so that during Marie's absence the business is capably handled.

We were glad to see Marie back at her desk. —D.H.

Throwin' The Bull

By BOB TURNBULL

IT'S A JOKE, SON!

Weather report: Cool today, crazy tomorrow.

WHITE (?) LIES

With the usual apologies to them all: Bob Nebruge is front-running a Highland Gesteop unit... Larry Christianson hates long hair classics but "digs" Fats and Elvis... Barbara Pawlowski wants to be buried as a Flag Corpse (pun, pun)... Returning to Highlandville next year are Jeff Sprung, Ralph Christensen, Linda Fetterly and Bob Garrity—to complete their "low" grades... and Art Bunch is retiring from the vocalizing profession in order to be a spinach separator in a sand-blasters shop. (Yeah, I know, this last paragraph was about as funny as a hummingbird with a trick knee.)

HIGHLANDVILLE GOSSIP

Helix's senior banquet was held in the El Cortez Hotel and went off smoothly... the ditch day was at Disneyland... and the after-prom, a la calypso, was given in the Terrace Room of the Lafayette Hotel... Helix's "Brigadoon" cleared around \$600 in profits... Members of Highlandville's top-notch journalism hounds are Mel Clippinger, Jim Glazebrook, Linda Fetterly, Deanna Martin, Susan Carman and Mary Conlee. They now possess State College's Sweepstake trophy... Hazel Bole will replace Clara Brown as a Helix counselor for the next school term!

albums are "The Wildest" by Louis Prima and "Rock and Roll Forever" on the Atlantic label... Harry Belafonte is tops with actor Ben Cooper who pins the meliower crooners... Jayne Mansfield is a solid chick if ever there was one! likes Maynard Ferguson and Richard Maltby... Sal Mineo is on a progressive jazz kick and has all of Chet Baker's albums.

Suggestion to Helix Hi: Near the end of the annual school year why not make it a big three day affair in honor of the Girl's League? On the first day make it Girl's Day in business and have the gals visit hospitals, offices, schools and the telephone company. On the second day let the felines take over the school administration for a day, i.e., principal, nurse, athletic directors, et cetera. And on the third day have a girl's assembly with

FIRST PICTURE OF COLLEGE GROVE CENTER

Ground is expected to be broken in late August or early September for construction of College Grove Center, San Diego County's first complete shopping center, and the project opened in the spring of 1959.

Announcement of these target dates for the project which will represent an investment of \$20 million when fully completed was made here yesterday by Michael C. Birnkranz, of Los Angeles, principal owner.

He attended two private receptions at which hundreds of community leaders previewed a model of the regional center which is to be erected at the intersection of the Lemon Grove Freeway and College Avenue. The receptions were held in the U.S. Grant Hotel.

Co-hosts were two other men who have contributed significantly to the project's development. They are: George A. Scott, who originated the idea of College Grove Center, and Philip Lyon, of Los Angeles.

Lyon's company of the same name is leasing agent for the center. Scott is president and general manager of the Walker Scott Company whose department store will be the largest enterprise in the center.

At the reception it was disclosed College Center will have several features that will set it apart from other major shopping centers.

1—It will be the first in Amer-

ica to have a so-called branch department store (Walker Scott) larger by one-half than its downtown one at the city's busiest intersection.

2—It will be the first in the nation to have a non-denominational chapel where shoppers may stop for meditation.

3—It will be the first to have an electric carillon. The chimes will be atop the Walker Scott store.

4—The center will be the first in the county to have an outdoor escalator.

5—It will be the first major shopping center in the county to be completely air conditioned.

"As originally planned," Birnkranz said, "we expected to build 500,000 square feet of floor area. However, the demand for space has been so great, and the explosive growth of San Diego so encouraging, that we have decided to build 750,000 square feet initially, and later increase the size of the center to 1,000,000 square feet. When fully completed College Grove will represent an investment of \$20 million."

"In our studies for College Grove we found that many shopping centers that were completed during the early years of center development made serious mistakes in their planning. We have, therefore, been very cautious in our planning, and have

spared no effort or expense to insure that College Grove will be the most efficient and best planned project of its kind yet built."

In reviewing the leasing program at College Grove Center, Lyon said:

"Long term leases are now being signed with J. J. Newberry Company for a 61,000 square foot store, and the F. W. Woolworth Company for 26,000 sq. ft. We have signed leases with the J. C. Penney Company for 78,000 square feet, and the Walker Scott Department Store for 160,000 feet, and at the present time we have drawn leases for a number of companies who will participate in the College Grove development, including Hartfield Stores, Kay Jewelry Company, The Security Trust & Savings Bank of San Diego, Leeds Shoe Stores, C. H. Baker, and Slenderella. Negotiations with a number of other tenants are now in progress."

"College Grove Center offers a comprehensive plan for complementary groupings of tenants in such a manner as to distribute both pedestrian and auto

traffic flow, and to attain maximum exposure of various businesses. The traffic plan is based primarily on the customer's type of shopping trip. Groupings include quality apparel, house furnishings, popular range of clothing, services, and convenience goods. This plan and analysis by a group of shopping center experts, chain store men, architects and developers throughout the country. In the course of developing this plan more than two dozen separate layouts have been developed and scrapped."

The model, which is scaled one inch to 20 feet, will be publicly displayed in the corner window of the Walker Scott Store at 5th and Broadway for one week, beginning Thursday.

More than 500 Walker Scott employees were given an opportunity to preview the model at Wednesday morning's private reception, being released for their duties in shifts.

URI HITS LITTLE LEAGUE HOMER FOR GRAND SLAM

Noel Uri, star first baseman for the Rams, major team in the Cajon de Oro Little League, had the fans on their feet May 31, when he collected a home run with three men on. His team went on to beat the Cubs by a score of 15 to 3. Winning pitcher was Tingle. Bordwell, also of the Rams, grabbed a fast fly as it was about to clear the fence.

In the minors, on the same day: Eagles 6 and Larks 4. Winning pitcher was Allen Estes.

June 1, in the minors: Orioles 13 and Cardinals 7. Winning pitcher was Paul.

In the majors, the same day: Elks 3, Lions 2. Winning pitcher, Bill Gray. Also in the second major game that day: Tigers 8, Bears 3. Winning pitcher was Dennis Craig. Fred Werner of the Bears got a homer.

June 4, in the majors: Rams 11, Lions 5. Winning pitcher, Mike Allen. The Lions got two homers, one by Joe Scott and one by Richard Ames. Buck Jenkins of the Rams made a terrific catch.

On the same day, in the minors: Orioles 15, Larks 6. Winning pitcher, Landrum. Crawford of the Larks got a homer.

June 5, in the majors: Elks 21, Tigers 1. Winning pitcher was Bill Gray, who had a shutout, allowing only three hits until the last inning, when the Tigers got their one run. Bill Gray also got himself a home run.

In the minors, on the same

day: Cardinals 7, Hawks 5. Winning pitcher was Mike Palmer. June 6, in the majors: Bears 12, Cubs 7. Winning pitcher was Shadinger. Two home runs were collected in that game, one by Kenny Mitchell of the Cubs and the other by Robert Strong of the Bears.

In the minors on the same day, Owls 11, Eagles 7.

Regular meeting of Little League held at San Miguel School first Monday of each month, 7:30 p.m. All interested in baseball invited.

We are sorry to report that some miscreants committed vandalism last Sunday night at the ball park. The top of the flag pole was pulled down and broken, (that part of the flag pole which has the pulley that carries the halyards, necessary to raise the flag.)

Remember, boys, the ball grounds and the flag pole, fences and whatever else is furnished by your friends' contributions, so that all of you may have fun. Don't destroy - help build up the confidence of the ladies and gentlemen who help give you a place to practice and play the greatest game of all - baseball.

EARL START

South Charleston, W. Va. — When Detective John W. Fendmore, Jr. and Robert W. Parkins finally overtook a stolen car after a chase of several miles, on a

wild, 60-mile-an-hour ride through city streets, out stepped a 14-year-old boy, who admitted three other auto thefts and one motorcycle theft. The youth said he had been driving since he was six years old.

Asks Condemnation To Be Re-Instituted On Grove Street

Joe Mack, Surveyor and Road Commissioner filed a letter last week with the Board of Supervisors stating that although the Board, on April 30 directed County Counsel to withhold condemnation proceedings against Carpenter and Lighthart, it is now requested that the Board authorize County Counsel to proceed with condemnation action of two parcels on the west side of Grove Street in Lemon Grove for Road Survey No. 802 and that the Auditor and Controller be authorized to draw a warrant in the amount of \$635.00 payable to the County Clerk from Special Road Improvement Fund, Capital Outlay, Right of Way, for deposit by County Counsel with the condemnation suit, and

Letter from County Counsel submitting resolution authorizing condemnation proceedings of Parcels 2 and 10 for said Road Survey).

The rousk started when a strip of land 20 feet wide on west side of the theatre property, (the Grove Street side of the open air theatre), was desired to widen Grove, rather than take 20 feet from the property on the west side of Grove between Imperial Avenue and Broadway.

Carpenter and Lighthart, owners of the theatre property, have contended that the street widening, taking highly improved property from the theatre, was not necessary at this time and that the appraisal offered by the

SAN DIEGO RANKED SECOND IN U. S. FISHING IN 1956.

San Diego was the nation's second ranking fishing port last year in the value of catches, the U. S. Fish and Wildlife Service has reported.

San Pedro was first, the report said. Value of the catch to San Diego fishermen was \$18,778,000, while catches landed by San Pedro fishermen were valued at \$29,000,000.

New Bedford, Mass., was third, with a catch valued at \$12,237,000.

Statistics compiled by the service showed that during 1956 approximately 150,000 commercial fishermen worked off of 90,000 boats of various sizes in the United States. They produced 5,200,000,000 pounds of fish valued at \$1,128,000,000 to the retailer.

The total 1956 catch set an all-time record.

Please Note. This report did not include the various fresh water fish, mostly planted trout, that were brought in from various parts of San Diego County. Credit \$1,000,000 to the Enjoyment Fund of Isaak Walton Lodge.

county was too low, besides taking all of the widening from the theatre property.

The lessee of the theatre land has refused to accept the amount offered him, and the owners also objected to the low price offered. —D.H.

STATE JOBS OPEN FOR PATROLMEN

Male California residents between the ages of 21 and 31 will have an opportunity to qualify for a professional law enforcement career with California Highway Patrol August 10, when statewide examinations for 300 State Traffic Officer positions will be held.

Applications, however, must be filed by July 12 in order to be considered.

Applicants will undergo a rigid physical performance test as well as a written examination and personal interview.

Additional requirements are: United States citizenship, height between 5 feet 9 inches and 6 feet 6 inches, excellent health and satisfactory record as a law abiding citizen.

Successful candidates will receive a training course at the California Highway Patrol Academy. Possession of a valid California driver's license is required at the time of appointment. Operation of a motorcycle will be taught during training.

The entry salary effective July 1, are now under consideration but has been \$395 a month.

The Personnel Board stated specifically that no sample examination questions are available and that the Board does not endorse or recommend enrollment in any particular school as a preparation for this examination.

Complete information and official application forms are available at any Department of Employment on Columbia Street.

Men with management experience are needed as Field Representative also throughout California. An examination is scheduled for July 27, but applications must be filed no later than July

The position, which pays \$376-\$458 a month, requires two years experience in one of the following fields: Business or office management; credit or collections management; public accounting or field auditing; field or office supervision in the petroleum or trucking industry.

Vacancies for Motor Vehicle Investigators also exist throughout the State. The job has the same salary scale as Field Representative, and requires a year of experience in motor vehicle field investigation, law enforcement, credit or collections, or claim adjustment work. Three years of clerical experience which has included motor vehicle registration, drivers' license, repossession or claim adjustment work, will also qualify.

A hair perhaps divides the false and true. —Edward Fitzgerald.

E BONDS TO BE

PUNCHED CARDS
The Treasury Department, beginning October 6, will issue Series E Bonds in punched-card form at an annual saving of \$500,000 a year in printing costs.
The punched-card bonds will closely resemble the present paper-type bonds and will have the same printed matter on both sides as now. But while the present paper-type bonds are 7 1/2 by 4 1/2 inches in size, the punched-card bonds will be 7 1/2 by 3 1/2 inches.

The punched-card bonds will make possible the use of electronic data processing machines for certain Savings Bonds procedures in the Bureau of the Public Debt, and installation of such machines is now being arranged for. Some business firms and others issuing bonds under the payroll savings plan will also be able to realize economies in handling the new bonds.

Svea Yeager
(Continued)
staff of Special Teachers for the
handicapped.
She had three years of English, some Latin, Biology and Social Problems.
For eight years Svea was at Sunshine School, the Cerebral Palsy Foundation, in San Diego. When her mother moved to unincorporated territory outside the city, Svea had to leave Sunshine School, but her determination to get an education did not stop her from studying.
Her teacher put her on her honor, and Svea kept her word right up to the minute of each school day. From 8-12 she studied, unattended.
She has a big table with a circle cut out of one side, somewhat like the copy desk in an editorial room on which her books are laid within reach. There she does her reading and writing, undisturbed. Her mother has never attempted to help her with her studies in any way.
Her teacher has spent only two hours a week with her. The balance of the time she is on her own.

Svea, pronounced SVEE in (Swedish), has her hobbies, too. A spacious, sunny back yard, with an aviary for her birds, a dog to watch over her and television, which she enjoys watching, serve to brighten the hours she has free.
Mrs. Yeager, a graduate nurse, before marriage, is employed as clerk at Cerebral Palsy Foundation, and a kind neighbor stays with Svea during the day. When Mrs. Yeager comes home at 5 p.m. she and Svea go into a "air talk," what has happened, discuss events and have supper. "Air talk" is done by writing sentences in the air with the forefinger.
Svea is what David Harum would call a good feeder, enjoys her meals. Her body is plump, her skin a light tan and her expression happy. She smiles readily, and her eyes shine.

Svea's father died when she was nine, leaving his wife and child to fend for themselves. He was in the last year at medical school when taken, and Mrs. Yeager has carried on, alone. When I called at the Yeager home Friday evening at 5 o'clock she invited me in, told me not to be embarrassed, that Svea knew what I was there for, and would cooperate fully.
Svea's trouble is not Cerebral Palsy, but something of that order. In fact, the best doctors cannot say just what her trouble is. Something has gone wrong with the nerves that connect with the brain and those with moving the hands and feet have gradually lost their power. At the end of this story I will give a medical description of Cerebral Palsy, which helped me to understand something of what has happened.
I was at the Yeager home for an hour and a half, so interested that I didn't note the passage

of time. Mrs. Yeager had carried Svea into the front room and placed her in a comfortable chair, leather covered, with a cushion at her back and feet on a stool, and there she sat, listening and smiling. Svea has the sweetest smile. Her face is round and her sparkling eyes make her most attractive. Her hair is dark and she wears it short, somewhat like a boy's except it is not cut with a "flat top."
As I left this happy home, for it is a happy household—Mrs. Yeager said she felt that she and Svea were closer than most mothers and daughters.
"He who falters, is lost," Svea "air talked."
She certainly has not faltered. It takes a lot of determination to study alone.
This child has done a wonderful job of studying and learning. She loves to read, does a lot of it. Her only means of communication, besides "air talk," is by writing.
Svea has certainly not faltered. I would say rather that she has won, and her mortar board and gown and the hardly won sheepskin are symbols of successful accomplishment.

CEREBRAL PALSY—
(From Webster's Encyclopedic Dictionary.)
"Cerebral Palsy - A group of disorders caused by injury to the motor centers of the brain. The most common form of cerebral palsy, of which the "spastic" is one, are those which affect the body movement, and especially the muscles of arms, legs and hands. At least half of all affected persons also suffer a speech handicap, and hearing or sight may also be affected. Only a minority of palsied persons are mentally retarded. The condition is not hereditary and not contagious. It seldom affects the life span."
PHOTOGRAPHY CLASSES OFFERED ADULT STUDENTS
Two classes in photography are being offered by Adult Education Department of San Diego Schools and are available to residents of the county.
One class is black and white, the other is color. Both classes will be held at 3249 Fordham St., starting June 18 at 7 p.m.

MH PTA PLANS TEACHERS' LUNCH

Plans have been completed for the annual Monterey Heights PTA Teachers' luncheon set for 2:30 June 14 at the school cafeteria. Board members will be hostesses.

Mrs. Steve Jurchenko will be honored for her long leadership and new president, Mrs. Kenneth Clarke will discuss plans and aims for the coming year.

Proclamation was given by Mrs. Carol Staples which read:

"I would like to extend my sincere appreciation for the neighborly cooperation of the LEMON GROVE REVIEW in the past school year. Mr. Goodwin and his staff have been most helpful in recording the events of our Monterey Heights PTA and have made the task of representing them an enjoyable one.

May the LEMON GROVE REVIEW have many years of continued success.

CAROL STAPLES
Chairman Outside Publicity
Monterey Heights PTA.

SUMMER SCHOOL SESSIONS

SET AT SAN MIGUEL

The first Summer School session of the Lemon Grove School District will be held from June 24 through August 2 at the San Miguel School. The program will be limited to children who have just completed the third, fourth or fifth grades. Curriculum will include Reading, Arithmetic, Physical Education, Music, Arts and Crafts.

The hours will be from 8:30 until 11:30 a.m. Children who entire session. There will be no charge involved and no transportation will be furnished.

There are a few vacancies in the fourth grade. Other grades are full at the present time, but registration will be accepted for a waiting list in case of cancellations. Any parent desiring to register their child or place them on the waiting list may call Principal Louis Poluzzi, HO-94183.

C. Forrest Baxter, 2925 Buena Vista Street, was elected governor of District 4E2, Lions International at the annual districtwide convention held last week at the Hotel del Coronado.

Baxter will head the activities of 52 Lions Clubs of the district for the year 1957-58. He is a member of the Lemon Grove Lions and has held all of the club offices. He succeeds B. F. Jones of Indio.

Baxter will be the installing officer Thursday (June 13) when new officers will be installed in his parent organization in Lemon Grove.

To be installed are: Dr. Calvin Nicholl, president; V. J. Dorman, vice president; Emmett Marshall, second vice president; Paul Louer, secretary-treasurer; Charles Munn, Lion Tamer and Clarence Milbrodt, Tail Twister.

To the board of directors will go Pete Wood, Tom Walton, Robert Schnick and Robert York.

An installation dinner-dance will be held Saturday at Casper's Rancho in El Cajon. A happy hour will be held at 7; dinner at 8. Cost is \$7 per couple. Reservations may be made through Mrs. Roy Erwin, wife of the retiring president, at HO 6-5323.

Robert Edwards Succumbs To Track Injuries

Robert E. "Zappo" Edwards, 29, a drag strip racing enthusiast, died Wednesday at Paradise Valley Hospital. He was injured when a racing car ran into spectators on the Paradise Valley racing strip June 2. He never regained consciousness.

His survivors are his parents with whom he lived at 2211 Sweetwater Road in Spring Valley. He was a member of the Chula Vista Lodge 626 F & AM; Scottish Rite, Al Bahr Shrine, Scouts, and Rohr Square & Compass Club.

Masonic services were held Wednesday morning at the Chapel of the Rose, at Glenn Abbey Cemetery in Chula Vista. Local arrangements were made by Conrad Mortuary.

Lula Channel, Grove Pioneer, Succumbs At 72

A Lemon Grove pioneer, Lula A. Channell, 72, 7658 North Avenue, died Wednesday (May 5) after a three year illness. She died at Paradise Valley Hospital.

She was the wife of D. A. Channell to whom she had been married for 53 years.

Survivors, in addition to her husband, include five children, five grandchildren and two great grandchildren. Her children are: Mrs. Ruby Stephens, Ada, Oklahoma; Don O. Channell, and Mrs. Edith Williams, both of National City, and Mrs. Louise H. Pickering of El Cajon.

She was a member of the Primitive Baptist Church. Following funeral services at a National City mortuary interment will follow at Vista Memorial Park in Lincoln Acres.

—Tappy Foto

"It shall be known as the Jessica Higbie Medical Arts Scholarship Award." That was the decision of the Spring Valley Welfare Department when it met last Thursday evening to discuss the problem in which some student of the Mt. Miguel High School would benefit should he or she decide to go into the medical field. The Mt. Miguel High School is to receive two \$150 checks each year for that purpose, the first check being given in 1958.

Mrs. Higbie, who was at the Thursday evening meeting was unaware that her name was to be associated with the move. It was she and Mrs. Grace Golden who conceived the idea of the Welfare Dept. back in 1948. The idea of the scholarship was conceived several years ago, and it was not until the Mt. Miguel High School was started, that the scholarship idea took root.

The Spring Valley Welfare Department workings can be best explained by Mrs. Gladys Key, now treasurer, who outlines its history.

"In 1948 the La Mesa Welfare Board advised us that this area had grown too large for them to include us in their service. As a result of this action, it was agreed at the Spring Valley Coordinating Council to organize our own Welfare Dept." And the outline goes on to tell about the officers.

First officers of the Dept. were: Roland Taylor, chairman; Rev. L. P. Chapman, secretary-treasurer; Mrs. Mary Clark, publicity chairman; Mrs. Frank Golden, Mrs. Susie Farr, and Mrs. Jessica Higbie was shop chairman.

Today the officers are: Mrs. Mary Clark, chairman; Miss Susie Geer, first vice-president; Mrs. Thelma Puterbaugh, second vice-president; Mrs. Rose Crum, secretary; Mrs. Gladys Key, treasurer; Mrs. Jessica Higbie, shop chairman; Mrs. Beulah Moyer, assistant shop chairman.

The Board at that early time decided to open the Economy shop to raise money for the benefit of the needy families in the Valley. At first the "shop" was held in the Wigfield patio. Then it moved to the old adobe building on the Chamber of Commerce grounds. The shop at Bancroft and Golf Drives, is operated by women of the Welfare

'Christianson' Calendar

Canvass Half Over

Approximately sixty students who will be enrolled in Mount Miguel High School next year made a canvass of west Lemon Grove Saturday selling Mount Miguel Community Birthday Calendars, under the sponsorship of the Mt. Miguel Music Parents' Club. The drive was a success, and will be repeated in the east part of town, including Brookside, and Monterey Heights area this Saturday. Proceeds from the drive go to the Music Parents' Club for the purchase of band uniforms. So far 600 calendars have been sold to date, with 1000 the number needed to complete the quota, according to Lawrence Christianson, music director for the school.

The calendar is a community-centered article. The dates of meetings of various service clubs, high school activities' calendar and many other useful data will be printed on the calendar. In addition, the students are selling listings, whereby interested person's names are placed on the calendar on the dates of their birthdays. Eighteen of the leading business places in the area have placed advertising on the calendar with this benefit to those who have their names listed on the calendar; on the week of his birthday, a person whose name is listed on the calendar is eligible for substantial discounts from the advertisers the week of his birthday. A person who takes advantage of even a few of these discounts can return many times the purchase price of the calendar and listing.

Re-Org Set For Grossmont CAC

Revision of by-laws, development of activities for next year, and plans for expanded membership were discussed at the final regular meeting of the Grossmont Citizens Advisory Committee last Wednesday evening.

Mrs. Dorothy Lewis was elected secretary for the coming year, but the position of vice-chairman was postponed until the next regular meeting scheduled for September 4th.

A by-laws revision committee was named, composed of Virginia Clapp, Blanche Hoyer, Dorothy Lewis, Warren Hooper, and Bernard Silbernagel.

Plans for expansion of active membership to include more representatives from parent-teacher groups, chambers of commerce, service clubs and other civic groups were discussed.

After review of the recommendations made by Mrs. Clara Christiansen's college preparatory courses and El Clarks school district organization committees, the following areas for committee activity during the coming year were approved:

Junior College the counseling services, school district organization, the building program and tax problems.

C. J. KRUK VISITS CONGRESSMAN UTT IN WASHINGTON

C. J. Kruk of 3244 Sweetwater Avenue, Lemon Grove, a Republican and proud of it, has been on a vacation trip east, and visited Washington, D. C. Mr. Kruk called on Congressman Utt and Wilson, who represent this section in the halls of Congress; also paid his respects to Senator Thomas H. Kuchel. Mr. Kruk is a Conval employee. He said Washington was getting pretty warm weatherwise, as well as politicking.

NOTICE TO BIDDERS

NOTICE IS HEREBY GIVEN that the LEMON GROVE School District of San Diego County, California, acting by and through its Governing Board, hereinafter referred to as the District, will receive up to, but not later than 5:00 o'clock p.m. of the 26th day of June, 1957, sealed bids for the award of a contract for Gasoline and Lubricating Oil.

Such bids shall be received in the office of the Governing Board of said District located at 8025 Lincoln Street, Lemon Grove, California, and shall be opened and publicly read aloud at the above stated time and place.

Each bid must conform to and be responsive to this invitation, the information for bidders, the specifications, the Plans, and all other documents comprising the contract documents. Copies of the Contract Documents are now on file and may be obtained in the office of said board at the above address.

Each bid shall be accompanied by a certified or cashier's check payable to the District, or a satisfactory bid bond in favor of the District executed by the bidder as principal and a satisfactory surety company as surety, in an amount not less than 5% of the maximum amount of the bid. The check or bid bond shall be given as a guarantee that the bidder shall execute the contract if it is awarded to him in conformity with the Contract Documents, and shall provide the surety bond or bonds as specified therein within five (5) days after notification of the award of the contract to the bidder.

The District reserves the right to reject any or all bids, to accept or reject any one or more items of a bid, or to waive any irregularities or informalities in the bids or in the bidding. Preference will be made in the award for California made supplies, pursuant to Sections 4330 to 4334, inclusive, Government Code.

No bidder may withdraw his bid for a period of thirty (30) days after the date set for the opening of the bids.

BURGLARS FLUNK IN CASH TEST

Burglars failed in an attempt to get anything of value when they broke into the Lemon Grove Motors, 7490 Broadway last week. Harold "Puff" Holaday, the firm's owner, said that a small amount of cash was taken after the culprit ransacked the office. The burglar entered the office through a hole in the wall which had been covered by a board. Equipment and parts were thrown about the office and a room adjoining.

We don't have a Real Estate Department, to pay for at this newspaper so this information can be given to brother Scoggins free of cost. The area does not belong to the state, has for years. The state may relinquish it to the county in a short while as tail end of the Lemon Grove Free-way project completion.

The fountain pen episode isn't over. I normally use an old

fashioned one which has a cap to unscrew. It uses real ink. A reader, hearing of my plight concerning a modern young lady who couldn't figure out how to get to the pen's point, sent me one of those click-click ballpoint pens.

Those things are intriguing. I put the old-fashioned ink out to pasture and started clicking like mad with the one Sapp Marder had sent.

This week came word from Hugo Maguire, the local banker, that some of my checks had suspicious looking signatures and that I best had come over and see them.

All that was wrong was that they had been written with one of those click-clickers and all my fancy flourishes and shadings were missing. Since my signature is illegible even at best, I learned they had been identifying it through one of the flourishes which they said they supposed was the letter "G". If I intended to use a ballpoint pen, they said, I ought to sign a supplemental signature card with one.

See what happens when a guy goes for modern gadgets?

HID Biz Is Up Despite Program

Business is good at the water works.

Revenues for the fiscal year ending May 1 totaled \$1,679,336, approximately \$65,000 more than Helix Irrigation District general manager Byron Miller had expected.

Lower revenue was anticipated, Miller said, from conservation programs instituted last year. There was a 20% drop in water consumption and 16% reduction in billings the first half of last year. Water sales the last half of the year accounted for the increase.

First five months of 1957 shows a reduction in water use against last year of 1,073 acre feet. Current year use totals 4,320 acre feet against 5,400 last year.

Miller also reported that most of the budgeted items are well within the limits set by the board last July. He said that only one item, "distribution system maintenance" was much in excess of the budgeted amount and that resulted because the item is a new one in the budget this year, being made up of a combination of other items listed in the past. Expenditures in this fund have totaled \$25,219.86 as compared to a budgeted figure of \$12,623.56.

SUNDAY SCHOOL

CLASSES DROPPED

AT ST. PHILIPS

Formal classes for Sunday School at St. Philips Church will be dropped June 23 although two teachers will be on duty each week.

St. Hilda's Guild meets the 1st and 3rd Thursdays of every month at 1:30 p.m. Mrs. Edith Fletcher is Chairman and Miss Marjorie Jackson is recording financial secretary. St. Theresa's Guild meets the 4th Monday in the month at 7:30 p.m. Mrs. Darlene Lovelace is Chairman, Mrs. Coral Brack Vice Chairman, and Mrs. Betty Nichols is Financial Reporter.

Transportation is needed to transport members to the Annual Church Picnic at Big Oak Ranch, Dehesa Valley on June 20th. Please call Mrs. Russel Ray at HO 65219 if you can help by providing room in your car.

DRIVE IN THEATRE TO GO SWAP & SHOP ON SUNDAYS

A series of Swap & Shop Weeks will be held at the Ace Drive In Theatre on Grove St. and Imperial Avenue beginning Sunday.

Swappers will be admitted to the theatre at 35c per carload and they may barter, sell, trade, exchange, give-away or buy articles that suit their fancy. There is no limit to the number of items they may bring. Tools, furniture, radios, tvs, chinchillas, suitcases, canned goods, tires and even autos are expected to be put on the barter block.

Swapping will be conducted from 10 a.m. to 4 p.m. every Sunday.

LIONESSES

INSTALL OFFICERS

Mrs. Miriam Wood was installed as president of the Lemon Grove Lionesses Wednesday evening at a ceremony at Michael's. Installing officer was Mrs. Rosco Griswold, president of the Lionesses Council of San Diego County.

Other officers installed at that time were: Mrs. Frances Walton, vice-president; Mrs. June York, secretary-treasurer, and Mrs. Jean Nicholl, director.

A pantomime show was presented by Mrs. Jean Murrell.

Charles Serr Becomes

House Peddler

Charlie Serr, real estate man who is associated with Glen D. Mitchell, has been named sales representative for Sable Homes, Inc., builder of custom homes for lower income groups.

Serr said that the basic home could be fully financed on clear lots with the exception of sidewalks, sewer connection costs, water meter and driveways. Even these may be included if the lot has an exceptional location and the owner may effect further savings by doing some of the work himself.

A model Sable home is being constructed presently at Bancroft and La Mar Street, Serr said. A four bedroom, 2 bath home containing 1218 square feet can be built for \$6,950 Serr added.

John Lester Hits Homer For Dad In L.L. Play

John Lester this week hit the first home run on the Vista La Mesa Little League ball park that was named Lester Field in honor of his father, Ed Lester. John's homer started a series of them climaxed Saturday when David Muedter hit a home run in the last of the 6th inning to win the tied-up game for the Qualitee Dairy team breaking their 5-game losing streak. The Padres remain the only undefeated team in the league.

Team standings Saturday were:

	Wins	Losses
Vista La Mesa Merchants	5	2
B.P.O.E. No. 1812	4	3
Cameron Bros.	3	3
Qualitee Dairy	1	5
Padres	5	0
Dodgers	3	2
Jesters Giants	1	3
Lemon Grove Sporting Goods Yankees	0	4

Games are played on Lester Field every weekday at 5:30 and on Saturdays at 10:30, 1 and 3:30. Everyone is invited.

LG JR. HI PTA

BOARD IN BUFFET MEET

The Lemon Grove junior high school P.T.A. board members capped the climax of their activities with a buffet dinner meeting last week at the cafeteria.

A brief business meeting was conducted by Mrs. Charles Taylor, president, who was later presented with a gift by Mrs. E. W. Middleton in behalf of the board members.

Gift was in acknowledgment of her conscientiousness during the successful year of her service.

M-A J Co. Gets

Merchandise Award

Morison-Adams Jewelry Co., 7919 Broadway, has been selected for the Distinguished Merchandising Award by the W. A. Sheaffer Pen Co., of Ft. Madison, Iowa.

An executive of the company, J. H. Athleter, is presenting a plaque to the firm. Winning merchandising program was one the local firm conducted in November and December 1956. This newspaper was used for the promotion.

VLM P-TA Sings Out Luncheon Engagement

"Come on a down to the Teachers Lunch" Friday at 12 noon, was the invitation sent to teachers and school personnel for the annual appreciation luncheon given by outgoing and incoming Vista La Mesa Parent-Teacher executive boards.

Tables in the school cafeteria will be attractively decorated with a gay calypso theme.

Mrs. R. T. Bullock, president, will welcome the guests and thank the 1956-57 board and Clarence Allen, principal, will give the response.

Mrs. I. L. Arms, president elect will introduce the 1957-58 executive board and Mrs. G. W. Sherrod will give the invocation.

Mrs. H. M. Schockley, hospitality chairman and her committee are responsible for the luncheon and decorations.

Jobs For Juniors

Lady Pleads

For Registrations

Mrs. Anne Mueller, who volunteered to take over the registration and placing of Juniors who want temporary work this summer, reports having had a busy week.

She placed 19 kids in jobs last week and three last Thursday. She needs boys of 17 for yard work, at 75c per hour.

Mrs. Mueller was able to place one lad of 18 in a job with the county, for road work, at \$269 per month.

Strong boys who are not afraid of work, get \$1 per hour, and Mrs. Mueller placed one boy with a former employer at \$1.25 per hour.

One boy she placed lived right in back of a man who wanted help.

You folks with a yard that needs attention are kindly requested to call on Mrs. Mueller for help of any kind, girls or boys.

The kids need jobs, want to earn money for clothes, etc. You will help the kids and yourself.

Mrs. Mueller makes no charge for her services, is anxious to help the kids, and guarantees they will give satisfaction. Her telephone is HO 9-4321, address 7113 Waite Drive. —D.H.

GEORGE LATHAM SELLS HOTEL

BORREGO SPRINGS (Spd)—Purchase of the Borrego Palms Resort, a 60-room year-round desert hotel, by Borrego Palms, Inc., a new corporation headed by A. C. Schoultz, of San Antonio, Texas, has been announced.

The Del Thuermer Construction Company, now owned by George Latham of San Diego, sold the resort hotel to the new corporation.

The price involved was not announced.

The hotel was constructed by the Hoberg family, well-known California resort operators.

BOYS LEAD IN DIAPER DERBY

Doc. Stork did pretty well by Lemon Grove last week in the matter of boy babies. That is if you consider two boys good.

Remember the song "Just One Girl" that was popular about 50 years ago? As I remember, the song started "Just one girl, only just one girl, there are others I know but they're not my Pearl", and wound up "I'll be happy forever with just one girl."

Well, Mr. and Mrs. Lester Maurer, 7150 Broadway, Lemon Grove, are happy to announce the arrival at their domicile of a little lady, weighing 7 pounds, on May 29.

(Incidentally, MY "Just one girl" was named "Pearl" and she is of great price, lovely disposition, and children and animals are her friends at sight. After 34 years of living with D.H. she still retains her even disposition and takes good care of him. We have not been blessed with children. This is just a hint to folks who are thinking about a name for their next baby girl.)

Doc. Stork was more liberal with boy babies.

Mr. and Mrs. Edward Doris, 3225 Olive Street, Lemon Grove, were awarded a boy, weight 7 pounds - 15 ounces, who arrived May 26.

Mr. and Mrs. Rodney Harris, 1948 Fairhaven Street, Lemon Grove, received a boy, weight 7 pounds - 11 ounces, on May 28.

And last but not least in birth announcements, is to chronicle the arrival in New York City, at Doctors Hospital, of a son, weighing 6 pounds - 8 ounces, to Mr. and Mrs. Clifton Daniel, on June 6 at 12:11 a.m. Mrs. Daniel's maiden name was Margaret Truman, daughter of former President Harry Truman.

The baby was delivered by Caesarian operation made necessary by complications during labor.

Clifton Daniel is a member of the editorial staff of the New York Times. Clifton and Margaret were married in her home town church in Independence, Missouri, April 21, 1956. It was the marriage of the year in the United States.

Helen McGavock, deputy county recorder, vital statistics section, had a good month recording births in the county in May.

She reports having had to issue 2069 certificates of birth.

Helen says it begins to look like a good record will be made about next April or May. She has received papers on 448 brides and grooms getting hitched in May.

'Circus' To Draw 20,000 Scouts

Twenty thousand San Diego County Boy Scouts and their 6,000 adult leaders are putting finishing touches on the series of events which will make up the Scout Circus to be held at 7:30 p.m. Friday, in Balboa Stadium.

Cliff Hansen, circus chairman, said indications are that more than 20,000 persons will see the circus which has, as its main theme, "The Trail to Mataguay" and will portray the history of San Diego County from 1542 when Cabrillo discovered San Diego Bay.

Tickets are available from all Scouts. The cost is \$1 and children, under 12, accompanied by adults will be admitted free.

Mataguay is the ranch near Warner's Hot Springs which the San Diego County Scout Council is acquiring to develop into one of the nation's outstanding year-round camping areas.

Band music, starting at 7 p.m., will open the Circus.

NATIONWIDE CHRISTIAN SCIENCE PROGRAM TO BE AIRED

LOS ANGELES (Special)—A nationwide audience will hear a program entitled "Our Birthright of Ever-present Good" to be given on Columbia's "Church of the Air" series, in cooperation with the Christian Science Church on Sunday, June 23, at 6:30 a.m. over Radio Station KNX (1080 kc). The speaker will be Herman A. Petzold, Christian Science Committee on Publication for Minnesota.

Vista Chamber

Gets Early Bid In On Sale Tax Funds

Vista Chamber of Commerce requests the Board of Supervisors to allocate and expend that portion of the funds derived from the County sales tax in the unincorporated areas of Vista for the following specific purposes: First, to the augmentation of the existing night police protection in the area by the addition of one deputy sheriff in the substation at Vista and the addition of one patrol car and necessary personnel; Second, to the augmentation of county road maintenance and repair services in the residential and business areas including acquisition of street sweeping equipment by the Road Department and the furnishing of personnel therefor to sweep streets in the business district.

It was a communication from Vista Chamber of Commerce that brought forth a note regarding the disposition of the 1c Sales Tax collections a month ago, thus emphasizing the need for various organizations to decide on requests to the Supervisors as to the disposition of such funds before July 1.

The Vista Chamber became the eleventh group to ask that sales tax receipts from unincorporated areas be allocated in such areas.

The San Diego Taxpayers Association has opposed any specific allocation of sales tax money to unincorporated areas. It said such areas are not now paying their share of governmental costs. (Some of these costs ought to move to unincorporated areas and get some tax bills. —D.H.)

The Board is expected to set its policy on sales-tax receipts, available this year for the first time, before the 1957-58 budget is adopted before July 1.

Hearing on a proposed ordinance to regulate bee-keeping in the county was set for September 17.

—D.H.

The trouble with most minds is that they are unused.

NEW CAR LOOKING

FOR OWNERS

SAYS CHAIRMAN

Ticket sales for the Ford Auto which will be given away next month are not moving as fast as anticipated, the Swimming Pool Committee indicated last week.

The project is a charity one with all proceeds going to the fund by which a swimming pool will be built on the Association's property at Washington and Mt. Vernon.

Association Chairman Frenchy

Faucher had this to say: "How would you like to win a new 1957 car for one dollar? This is no gimmick! It's really simple. All you do is donate one dollar for the lucky ticket for that new Ford which is to be given away on July 14, 1957 at the Lemon Grove Rodeo. This program is sponsored by the Lemon Grove Swimming Pool Association. Here is your chance to help the community with a worthwhile project and win for yourself a new car to boot. The tickets are available at most of the stores in Lemon Grove, and wherever you see the new car parked."

AIR CONDITION

WEATHER BEATEN? Air condition your home and beat the weather all year 'round!

Modern electric air conditioning keeps you feeling refreshed and comfortable... cools the air and cleans it, too — filters out dirt, dust, and irritating pollens... dehumidifies... ventilates... even helps to cut down on noise.

Talk with your dealer about home air conditioning — and do it now, before summertime heat moves in to stay. Choose central air conditioning for your entire home... or room air conditioning for your most lived-in areas. And remember — all-weather air conditioning permits you to dial the weather you want, all year 'round... cool in summer, warm in winter.

ATTEC ALL STARS

Congrats and a tip-of-the-ivy-League-hat to San Diego State shortstop Tom Rinks and outfielder Rowland Hill who placed on the CCAA all-star baseball nine, first team. State won the CCAA baseball championship. . . . One of our towns dailies stated that Hoover stole seven bases against Helix in the SCIF game because of pitcher Sandy Thorpe's double leg motion on his delivery. I disagree! Having viewed the game I'd say it was the Highlander's catchers' inability to peg the ball even half-way fast. And many a time his peg was off the bag! . . . Helix and State College graduate Noel Mickelsen, now pitching pro ball for Evansville, (Texas-International league) has a 1.0 won-loss column. . . . For the second straight year American Legion Junior Baseball Post 433, composed of Helix and Lincoln area horseholders, will fight the diamond battles. Last year Post 433 won the Southern California district championship. Other posts are Sweetwater (343), Mission

DRAGSTER CHAMP

Dragster builder and driver Emery Cook of San Diego holds the world record for the standing start, quarter-mile drag run of 168.85 mph. He recently set this record. He also holds the world record for elapsed time over the race course, covering the distance from a standing start in 8.89 seconds. . . . Helix had a "fair" year in sports. . . . won their league championship in football, track, baseball and tennis. Were dual champs in basketball and trichamps in wrestling. . . . thanks to Don Taylor, Ray Straka, Bill Raaka, Jerry Lipscomb, Jeff Cox and Pete Jernigan. Helix's JV baseballers had their best record in Helix's history. . . . From several pieces of saplings you can fashion a holder for your fishing rods and net that will add charm to your wilderness home. Oak, spruce, birch, pine or beech can be used for construction. . . . And then there's the one—He's found that the trout aren't biting flies now, but he'll worm himself out of the problem, somehow.

Enjoying the first annual Fiesta Fashion Show, and with long-legged styles such as those in the foreground, who wouldn't, are June York, 3725 Aragon Street, Emmett and Mrs. Marshall, 8107 Darryl Street, and Mr. and Mrs. John Petrey, 7931 Broadway, all of Lemon Grove.

It is interesting to note that all the fellows are looking at the model—and all the women appear to be watching the cameraman.

Surrounding the model who is wearing a fiesta, or squaw dress, are the following style conscious young ladies: Barbara Sargeant, 7641 Circle Drive; Virginia Sherpersky, 1524 Skyline Drive; Mrs. L. W. Schilling, 7717 Lansing Drive, and Marilyn Sherpersky.

**GROVE GIRL WINS
HORSE SHOW TROPHY**

Miss Judy Stong, 15, daughter of Mr. and Mrs. E. R. Stong, 3939 Kenilworth Drive, Lemon Grove, was awarded the Marlene Davey Memorial Trophy as the high point scorer in the San Diego County Junior Horsemen's Association national junior horse show. She rode a five-gaited horse.

Judy also placed in western bareback riding, also in western horsemanship, and again in western pleasure riding.

The two-day program was held at the Valley Lane Stables, Mission Valley. More than 150 riders from throughout Southern California entered the show.

Day Camp Director

The Y.M.C.A. of San Diego County has appointed John Bontiller to direct the Heartland Area Day Camp at El Monte Park this summer. He is a 5th grade teacher at John Ballantyne Elementary School in El Cajon.

Registrations for the Day Camp are coming in fast. One of the four sessions is already filled. A full program of activities is provided including archery, riding, air rifle shooting, games, swimming, cookouts, stories, singing, crafts, and other activities as planned.

Registrations for boys first grade to 12 years of age can be made through the Y.M.C.A. of fice in El Cajon, HI 4-3502.

HUFF 'N PUFFERS

New members who are being welcomed into the Huff 'n Puffers Square Dance Club are Butch and Mary Skinner, Jerry and Hope Masse, Paul and June Culy, and Claud and Joan Gay.

It was reported that the recent "Crazy Tax" dance was a wow, with Jeannie Wade, Dick Ribley, and Bob and Helen Pedigo winning the prizes.

The Huff 'n Puffers meet in the Spring Valley Chamber of Commerce Hall.

LARIATS

Lariats Summer Jamboree will be held Friday at La Mesa Elementary school with Marian Ashton as caller. Music, fun and refreshments are promises to members and guests. Guest callers will be acknowledged.

SQUARE EIGHTERS

Come Wednesday the Square Eighters will be hosts to the Clover Leaf Club at La Mesa Legion Hall. It will be a Hawaiian Hop and party night. Coming soon—"Our Yerfdog Dance"—Watch and wait!

PS BOOKS NEEDED

Mrs. Randolph Morse reported that paper back books are needed for distribution at the Naval Hospital, as a Red Cross project. Mrs. Morse said that magazines are not usable and that the demand is for paper back books of all types.

They may be left in the Red Cross box at the Lemon Grove Library on Golden Avenue.

It's a good idea to read a book, but a better idea to be careful of the book that you read.

NOTES**

By SADIE MARDER

The Business Women's League have generously donated money to purchase a band uniform for Mt. Miguel High School.

They have also scheduled a potluck supper for Saturday, August 3 at Youth Center and urge members to invite guests.

Plans are already afoot for not purchased a ticket, do so at another Christmas doll dressed once.

in money with proceeds scheduled to go into the plaza beautification project.

A Little League score board has been erected at the Broadway end of the plaza. Scores and standings will be changed weekly. Dorothy Leuer was in charge of this project.

BWL members are pushing tickets for the new car raffle. It is this raffle through which our youngsters may have a community swimming pool. If you have
